Am I legally allowed to buy from you?

Yes, provided that you're at least 21 years of age (or of the legal age required to purchase cigarettes within your state).

Please Note: Any cigarettes purchased on our site are solely for personal use, any other use is prohibited according to the protocol which the US CBP enforces.

How do you protect my Credit Card information?

We know that you may have concerns about the safety of your credit card and personal details when ordering through the Internet. That's why we're a secured site and use 128 bit RSA encryption (the same as Amazon.com, Starbucks, Bank of America, etc.)

How do you protect my personal information?

We are required by law not to disclose, under all circumstances, consumer data to any entity, individual, corporation, foreign government or foreign government authority regardless of claim. In short, we go to the greatest lengths humanly possible to keep your information both secure, and private.

Please note: Any cigarette retailers that are based within the United States are required under Title 15, chapter 10A of the US Code (Jenkins Act) to supply all information regarding customers who have purchased cigarettes from them, or they will face either a fine or jail sentence. As we are based outside of the US, we do not fall under the US Code, or any laws that are applicable through it, and therefore will never report you for any reason to any government or its agencies.

If you receive a notice to pay duty tax, reject the packages, and DO NOT sign the receipt for your package and it will be returned to our warehouse.

Once your package returns to the warehouse, a full refund for the value of these packages will be issued to you.

#### Shipping & Returns

All of the cigarettes shipped from City-Smokes.com are sent through international airmail, and comply with international mail regulations in regard to the sale and shipping of duty-free products to the United States of America.

Each carton ordered on City-Smokes.com is sent in its own package, this ensures that the restrictions that apply to weight and value for duty free products is not surpassed. This ensures that you will not be required to pay Duty Tax on your cigarettes. Although every carton is packaged separately, they are shipped to you on the same day. This does not necessarily mean that you will receive all cartons that you have ordered at once. It can take up to 10 days after the first carton is received to receive a full order of more than one carton.

Priority airmail, priority airmail takes from 5 to 10 business days, from date of shipment, for you to receive your order. Priority airmail costs \$3.50 per carton ordered.

Shipment times are from the day your order is shipped. Orders are shipped once they are fully funded, with Visa this can take from 2 to 4 business days, with e-check this can take 5 to 7 business days.

Please remember to include your full shipping address when filling out the order form, to ensure that you receive your cigarettes as fast as possible.

If you are told to pay duty taxes on any of your packages, please refuse receipt. These packages will then be returned to us. Upon receipt of the returned package in our warehouse, we will credit you the full value of the packages we receive.

If for any reason you wish to return any of the cigarettes ordered, please return the full carton of cigarettes to us, if you have to pay for your cigarettes to be returned, please fax us a copy of your receipt from the post office. Once we receive the faxed copy of the receipt from you, we will refund the full value of the products returned, and all additional shipping charges you have paid.

To obtain more information on how you can return your cigarettes, please call us on: 678-389-9259.

#### Shipping & Returns

All of the cigarettes shipped from Cig2u.com are sent through International airmail, and comply with international mail regulations in regard to the sale and shipping of duty-free products to the United States of America.

Each carton ordered on Cig2u.com is sent in its own package, this ensures that the restrictions that apply to weight and value for duty free products is not surpassed. This ensures that you will not be required to pay Duty Tax on your cigarettes. Although every carton is packaged separately, they are shipped to you on the same day. This does not necessarily mean that you will receive all cartons that you have ordered at once. It can take up to 10 days after the first carton is received to receive a full order of more than one carton.

Economy Airmail, economy airmail can take anywhere from 14 to 21 Business days, from date of shipment, to receive your order. Economy airmail is free for all orders. Priority airmail, priority airmail takes from 5 to 10 business days, from date of shipment, for you to receive your order. Priority airmail is optional for all orders and costs \$1.49 per carton ordered.

Shipment times are from the day your ordered is shipped. Orders are shipped once they are fully funded, with Visa this can take from 2 to 4 business days, with e-check this can take 5 to 7 business days.

Please remember to include your full shipping address when filling out the order form, to ensure that you receive your cigarettes as fast as possible.

If you are told to pay duty taxes on any of your packages, please refuse receipt. These packages will then be returned to us. Upon receipt of the returned package in our warehouse, we will credit you the full value of the packages we receive.

If for any reason you wish to return any of the cigarettes ordered, please return the full carton of cigarettes to us, if you have to pay for your cigarettes to be returned, please fax us a copy of your receipt from the post office. Once we receive the faxed copy of the receipt from you, we will refund the full value of the products returned, and all additional shipping charges you have paid.

To obtain more information on how you can return your cigarettes, please e-mail us.
